**REFLECT** on Oakland's and the Bay Area's progress since 1989 to prepare for disasters.

**HONOR** those who lost their lives and the many heroes who risked their lives to aid others.

**PREPARE** for the next earthquake or major disaster.

Emergency Preparedness Fair:

- Hands-on activities for all ages
- Fire truck and emergency equipment displays
- Interactive demonstrations
- Earthquake preparedness items to first 100 attendees

Event supported by the Department of Homeland Security, Office of Grants and Training, CERT grant funds and other program funds.

## THREE SIMPLE STEPS TO PREPARE for the next earthquake or major disaster.

### **Make a Plan.**

1

- ▶ Establish and practice escape routes from your home and evacuation routes out of your neighborhood.
- ▶ Create an emergency contact list, including an out-of-area contact person.
- ▶ Copy & store vital documents off-site (insurance papers, family photos, etc.).

### **Build a Kit.**

2

- ▶ Have enough food to last each person in your home at least 7-10 days.
- ▶ Store potable water (2 gallons per person per day – and don't forget your pets!).
- ▶ Include tools & emergency supplies (flashlight, radio, first aid kit, etc.).

### **Get Involved.**

3

- ▶ Get to know your neighbors (have a block party or social).
- ▶ Take CORE training from the Oakland Fire Department.
- ▶ Take Learn, Lead, Lift emergency preparedness training from the Oakland Fire Department.
- ▶ Organize your neighborhood to prepare for emergencies together.
